WHEN YOU WALK SOMETHWAY

Merciful God, Thank you that you are faithful and just, and that when I confess my sins, you forgive me and purify me. When I do something wrong, help me confess it quickly and turn away from it, instead of trying to hide it. Create in me a clean heart.

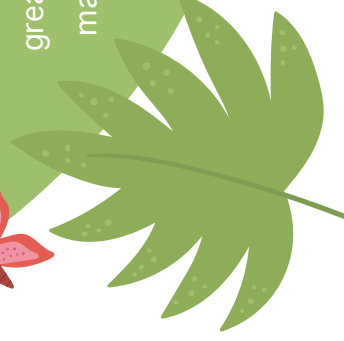

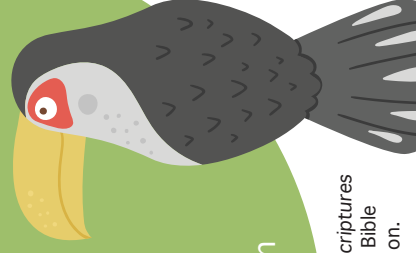

Restore my joy and make me willing to obey you. Thank you that nothing I have ever done or will ever do can separate me from your love. Amen

TELL THE TRUTH ABOUT JESUS

Lord God, Give me opportunities to tell people about your love and lead them to righteousness. Help me always be prepared to talk about the hope you give and let me speak with gentleness and respect. Don't let anyone look down on me because I am young, but let me set an example of what it looks like to follow you by the way I speak and act and love others. I will sing of your great love forever and make your faithfulness known through all generations. Amen
